Sir:

It is respectfully requested that Applicant's attorney be advised of the current status of the above-identified application as well as the anticipated date of issuance by the U.S. Patent and Trademark Office. The application was allowed; and Applicant paid the issue fee on March 12, 2004. However, to this date, the application has not issued. Applicant has repeatedly contacted the Office of Publication regarding this matter to no avail. Because of the extensive delay in issuance, Applicant also respectfully requests expedited issuance and recalculation of the patent term extension.

Respectfully submitted,
